5A-851 Lagimodiere Blvd., Winnipeg, MB R2J 3K4

Required: Fire Alarm Technician 1 Senior and 1 Junior - Winnipeg & Manitoba

Posting Date: March 3, 2017

Innovative Building System has been involved in the industry of providing life safety products and services since 1990 and is a registered CFAA Corporate Member

We provide fire protection products and services and operate in the Province of Manitoba.

Our present portfolio of clients includes: high-rise apartment/condominium complexes, school divisions, government buildings and high profile manufacturing customers.

Advance Fire Control is experiencing unprecedented growth in the industry, adding to our client base of over 2000, and is currently hiring technicians.

Position Description:

- Performing periodic and annual tests and inspections of fire protection systems to the applicable codes and standards
- Performing periodic and annual inspections to other related fire/life safety equipment
- Performing verifications or partial verifications on new or existing fire alarm systems to the applicable codes and standards
- Completing reports and work orders
- Conducting service calls
- Trouble shooting-working with a broad range of fire alarm systems and components
- Conducting repairs as needed
- Conducting on-call service calls when needed
- Training/helping others as needed
- Other duties as required

Minimum Qualifications:

- One year direct industry experience
- Canadian Fire Alarm Association registration or equivalent
- A valid/current Manitoba driver's license and clean driver's abstract
- Good English Skills
- Strong working knowledge of major fire alarm systems
- Strong working knowledge of other life safety equipment: sprinkler, emergency lighting, portable fire extinguishers and hoses
- Meticulous attention to detail and accuracy regarding reports and work orders
- Emergency On-Call Availability
- Customer Oriented and handling

Compensation:

- Attractive Basic Hourly Rate on Negotiable terms
- Cell Phone Allowance
- On Call Allowance
- Annual Salary Increase increments
- Group Health Benefit Plan
- Vehicle and Gas/Expenses Account
